

# Tuesday News

## School update.

We'll be certainly in a strange new world but I would like to say a big thank-you to **ALL** the staff at Greenholm who have remained so positive over the last week.

## We are currently only open for key workers and where possible parents have been advised to keep their children home from school.

We are working a three week timetable so that all staff do not need to be in school all at once and we are working hard to ensure that all the pupils that have to be here are enjoying what they are doing. Staff have lots of jobs to do at home planning for when we return and developing core subjects.

I would also like to say a big thank you to parents who have emailed in and been really helpful and supportive of the work we have been doing in trying to organise all this.

## Home learning.

All pupils have packs and work to complete and we are hoping that as far as possible parents will try to stick to a specific routine to support the children. We are starting the day with Joe Wicks workout and then children who remain in school are doing mini projects.

***Please remember that throughout this period, please ensure that you follow the Government guidelines at all times so that we can all stay fit and healthy.***

## Ms Turners challenge.

Each week we are off, I will be setting a challenge for children and their families. There are some great prizes to be won, which should be delivered to you!

**This week's challenge** – the lovely weather outside should be making us think about summer and picnics, so if your child is in KS1, please send us some photos of your child having a teddy bears picnic. They may have made some hats for their teddies, dressed them or even made the teddies. In KS2 send us some photos of the food you have helped prepare for a picnic, fancy sandwiches, biscuits, home-made cake etc. Send them to my email account by Monday next week or to the enquiry account and the best pictures win prizes!!!!

## Hat parade!

We will be having a virtual hat parade this year and are planning on staff sharing their hats via a video link on the website. Share your glamorous hat with us and we will pick some of the best ones for chocolate egg prizes.

Get you hats made and photographed by Friday 3<sup>rd</sup> April!!

## Last week.

- A big thank you to ex-pupil Corey Bosworth who has helped keep our school site safe.
- Many people took advantage of walking on the backfield in the lovely sunshine!
- Our assembly was on Mother's day and being thankful for what we have.

## Diary dates.

Term finishes for the summer on Friday 17<sup>th</sup> July and reopens for pupils on Thursday 3<sup>rd</sup> September 2020.
