!!! HAVE FUN AND MAKE NEW FRIENDS !!!

So to sum up:-

- To provide a place where children can meet *before and after school*, where they will be stimulated and encouraged to reach their full potential.
- We strive to develop a real partnership with parents by offering a positive service for childcare. Where parents / carers will feel that their children are being well looked after as well as learning through play.
- We provide a safe environment where children are given more opportunities to develop themselves through play, in order to interact with peers and adults.
- At the playhouse we comply with Playhouse policies, Equal Opportunities, Health and Safety Laws, Child Protection rules, Discipline and complaints procedures, as well as encouraging children to take a full and active part in the life of the Playhouse.

The playhouse Before and After School Club is a service provided for Greenholm Pupils only
