

# Year 2 Newsletter

All of the year 2 staff are looking forward to starting the next term in September.

## Literacy

In Literacy this term, we will be looking at a range of different text types such as stories, information texts and diary entries. We will read and analyse these texts and then write our own. We will be focusing on writing sentences, checking they make sense and using capital letters and full stops correctly.

## Numeracy

- Our main focus this term will be understanding numbers and their value.
- Children in year 2 need to be able to read, write and count fluently to 100.
- We will then use this knowledge when adding and subtracting. It would really help if you practice your number bonds to 10 and 20 at home and practice counting in 2s, 5s and 10s.

## Topic

This term we will be learning about heroes. We will look at famous heroes from the past, and famous and infamous heroes of the present day. The Arts will be a major focus of this term where we will get to do many fun arts and crafts, compose music and perform dance and drama.

## P.E. and Forest School

Year 2 will do P.E. on a Monday and a Tuesday. For forest schools your child will need a pair of wellies. We will send kits home at the end of each half term to be washed. Please ensure that all kit is clearly labelled with your child's name.

## Other information

At break time, children should bring in fruit or money for toast, which can be bought from the Year 2 shared area. Money for toast should be brought in a purse or wallet with your child's name on. All children should have a bottle in school to be kept in the classroom and this should only have water in it.

Children will also have an afternoon snack, which should consist of fruits or vegetables.
