

# Year 3 Autumn 2023 Newsletter

Hello and welcome to Year 3,

Our topic is Land before time and we will be learning about the Stone Age to the Iron Age era.

In maths we will be learning our 2, 3, 4, 5 and 10 times tables. Please ensure these are practised regularly with your child.

We will also be learning how to add and subtract numbers to 1000.

We will be learning more about fractions and how to add and subtract them.

In PE we will be learning gymnastics, dance and games. Please make sure you have your correct PE kit each week.

We will have a big focus on reading this term and our class authors are Joe Todd-Stanton and Tom Percival.

PE Days - Wednesdays and Thursdays  
Swimming - More information to follow  
Homework - Will go out on Friday and due back the following Wednesday.

In geography and history, we will be learning about Stone Age settlements and the Stone Age era. In Science, we will be learning about rocks and soils and magnets and forces.

In literacy, we will be learning how to write descriptive paragraphs using capital letters, full stops, commas and exclamation marks.

We will be working on joining our handwriting neatly and correctly.

We will be learning how to spell all our year 3 and 4 words correctly.

Homework is very important in year 3. We expect you all to complete your homework on time, each week, and to change your own home reader.

In music, we will be learning about different musical elements and using a range of tuned and percussion instruments.

In year 3:

We always try our best.

We always follow instructions.

We are polite.

In art, we will be studying cave paintings and Stone Age sculptures and in Design Technology, we shall be investigating simple pneumatic systems.
