

# Year 4 Autumn Newsletter

---

In the Autumn Term, Year 4 have lots to look forward to.

In Literacy, we will be exploring Ted Hughes.

The purpose of our writing will be to entertain.

In Numeracy, we will be focusing on number and basic skills.

Throughout the year we will be learning our timetables ready for the MTC.

---

Our author this term is Phillip Reeves.

In Theme, our topic is Power and Places which includes our local area and Ancient Sumer.

In Science, we will learn all about Electricity and Classification.

Every child will be learning to play an instrument and will have the opportunity to take it home to practice.

---

## Homework

- Homework will still be handed out on a Friday and due in on a Wednesday.
- If homework is not completed, it will be completed during golden time.
- Please ensure you are hearing your child read daily and commenting in their reading record.

## Trips

We will be working with hippodrome to create our own performance and we will be watching Charlie and the chocolate Factory.
