

Year 3 Summer Newsletter

Hello and thank you for all your support and help during this year.

Our topic is Settlements and Kingdoms and we will be learning about the Anglo-Saxons.

In Maths we will be learning our times tables. We will carry on with adding, subtracting, multiplication and division using numbers to 1000. We will learn about time, money and fractions.

In Science, we will be learning about light and plants. Our scientists are Thomas Edison and Anna Atkins.

In RE, we will be learning about courage and confidence, stereotypes, and being visionary.

We will continue having a big focus on reading this term. Our author is Dick King-Smith

PE Days- Monday- Please ensure children have their PE kits

Homework - will go out on Friday and due back the following Wednesday.

Important Date

Sleepover- Friday 10th May 2024

In geography we will be learning about the world and the UK. We will be learning about maps, compass points and co-ordinates.

In Literacy we will be learning how to write descriptive paragraphs using capital letters, full stops, commas, speech marks, exclamation marks and question marks.

We will be working on joining our handwriting neatly and correctly.

We will be learning how to spell all our year 3 and 4 words correctly.

Homework is very important in year 3. We expect you all to complete your homework on time each week neatly. Completed homework needs to be handed in on Wednesdays.

In Art we will be looking at the artist Leonid Afrimov and use their techniques in our art.

In year 3:

We always try our best.

We always follow instructions.

We are polite.

We are looking forward to a brilliant and safe term.

The year 3 staff
