

# Transition Information for Parents

## July 2024

On Monday 15<sup>th</sup> July, your child will meet their new class teacher for next year and spend the morning with them.

Moving from one year group to the next can involve a mix of emotions for pupils and parents. The aim of our transition session is to ensure your child begins to develop relationships, understand the routines and expectations and become familiar with the environment they will be working in during the next academic year.

The staff also have transition meetings in school to pass on information about their current class to their new class teacher to ensure key information is passed on.
