

Welcome to the Spring

This term, in **History and Geography** we will:
-learn about the origins of chocolate and its connection to the Ancient Mayans.

-Explore Mayan culture, achievements, and their role in chocolate production.

In English we will explore the texts Peter Pan by J.M Barrie, Delivery by Till Nowak and Chocolate by Vivian French.

The mathematical concepts we will cover throughout spring are multiplication and division, graphs, fractions and time.

In Art, we will explore painting techniques - creating texture and pattern, mixing colours using the colour wheel, and experiment with colour to convey mood.

Our **DT** is linked to our chocolate topic, pupils will design and create their own chocolate product.

PE will be on Tuesdays, working on our dance and football skills across the two terms.

We will be learning about The Mayans.

Our new theme is chocolate!

PE kit:

For PE, It is important for all pupils to wear the same uniform to ensure consistency and promote a sense of belonging.

Students should wear black trousers or leggings, a Greenholm T-shirt, and a Greenholm jumper or fleece.

Trips and events
