

## Values Newsletter

Dear Parents/Guardians,

Our focus value this half term is **BE CURIOUS**

Be Curious is one of our five core values at Greenholm Primary School, and we will be focusing on what that this looks like in this half term. Many of our values overlap and we will still be praising the others when we see them however, our assemblies will be focused on Be Curious.

The children will be working on what curiosity is and how we can use this to find out more about the world we live in. Below is a table to help guide you on what behaviours we would like to see.

Be Curious	
What we will see in school	What you can see at home
We explore, question, and discover the world around us.  - Not being afraid to ask questions - Eager to learn and investigate something new - Experiment and problem solve - Challenge yourself to discover more	Asking questions about the world we live in  Reading about things you would want to find out more about  Use the environment around you to find out more.

If your child wows you in some way by being consistently curious, please nominate them for the Values Hero Award by emailing the school office [enquiry@grnholm.bham.sch.uk](mailto:enquiry@grnholm.bham.sch.uk) with your reasons why. We will try our best to highlight this effort in our whole school assembly.

Thank you for working with us and helping to develop our children's character.

## OUR VALUES

BE RESPONSIBLE BE KIND BE RESPECTFUL BE CURIOUS BE RESILIENT
